計算：基本料金+600万ウォン

合計=640万ウォン

Calculating Certification Fees:

Ex. 1: If annual organic sales are 100,000,000 won

- calculation: 400,000 won (base certification fee) +
+ 1,000,000 won

Total certification fees = 1,400,000 won

Ex. 2: Certification fee if annual organic sales
are 2,100,000,000 won (for sales over 1 billion won)

- calculation: 400,000 won (base certification fee)
+ 6,000,000 won

Total certification fees = 6,400,000 won

2. 同時に複数の認証制度を申請した場合

WHEN APPLYING FOR MULTIPLE CERTIFICATION PROGRAMS AT THE SAME TIME:

例3：同時にJAS、NOP、EU認証制度を申請した場合

Ex. 3: If applying for JAS, NOP, and EU at the same time

申請費用 - Application fee: JAS + NOP + EU = 300,000 won (not including JAS seminar fee)

書類検査費用 - Application file review fee: JAS:50,000 + NOP:100,000 + EU:50,000 = 200,000 won

検査費用 - Inspection Fee: JAS: 100,000 + NOP: 300,000 + EU: 100,000 = 500,000 won

有機生産物の売上げが10億ウォンの場合

- Certification Fee if annual organic sales are 1 billion
won

計算

- calculation: NOP: 400,000 + JAS:500,000 + EU:500,000 =
1,400,000 won (base certification fee) + 1,000,000 won
(organic sales are not counted per certification program,
but as one)

合計=240万ウォン

total certification fees = 2,400,000 won
