

We have expanded our service portfolio to **provide you with new opportunities to qualify your products** and increase their competitiveness on the market.

We have **added new technical services to monitor agri-food alerts**, to verify **regulatory developments** and **compliance** of labels and products in real time, **to improve the quality and shelf life of food.**

We have **implemented** the **vegan, vegetarian, gluten-free, lactose-free, organic catering, non-GMO certifications.**

We have **organized a series of free informative webinars to keep you up to date** on regulatory developments and new certification schemes (Integrated Production, traceability, BRC, GLOBALG.A.P., Lactose free, organic catering, phosphites, Brexit, Reg. CE 848/2018 ...).

Thanks to the constant commitment of all our staff and collaborators, thanks to you who have chosen Bioagricert as Control Body, **we have achieved important goals: over 14,600 certified companies in Italy and 1,500 abroad.**

Thank you! **bioagricert**
